

Amended and Response to Election of Species Requirement
Application No. 10/507,078

REMARKS

In response to the Examiner's election of species requirement, applicant elects Group II, on which claims 4, 11 - 13 and 17-20 are readable. This election is made without prejudice to the filing of a divisional application directed to the non-elected claims.

The claims have been amended to more particularly point out the invention. As the amendments are not narrowing no estoppel relating to the doctrine of equivalents is implicated.

Entry and consideration of this Amendment are respectfully requested.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
